

**Been doing script-writing for half a decade now and i decided to
add one more skill into my tool belt... [Screenwriting](#).**

**I'm currently taking screenwriting classes
i will be turning my script "[blood farm](#)" to a screenplay right after
i'm done with my classes
started january 2024.**

Wish me luck and thank you...!

for your understanding.

**Hey! that doesn't mean i don't have time to work to write a script
for you... [shoot me a dm](#) so we can work together, please and
thank you.**
